Passport to a world of education 2010 CCEA State Conference slated for Los Angeles

Mark your calendars to be in Los Angeles from Friday, April 30 to Sunday, May 2, 2010 to attend the 2010 California Continuation Education Association State Conference. The conference will return to the Sheraton Gateway Hotel, adjacent to LAX and site of the 2008 CCEA conference. The theme for this year is “PASSPORT TO A WORLD OF EDUCATION.” We are planning 3 full days of educational and social events. Remember, this is the only conference that is designed to specifically meet the needs of continuation educators.

As we are living in a global village, the need to see the world from a global perspective grows stronger each year. Our goal is to provide our attendees with the techniques to incorporate this type of educational approach into their schools and classrooms.

Highlights of the conference will include more than 50 workshops, school visitations, principal institute, WASC seminar, trip to the Getty Museum, vendors and exhibitors presenting the best in educational products, valuable networking with educators from around the state, and speakers from the fields of education and politics.

We will be honoring the accomplishments of our own with our Teacher of the Year Award and the Classified, Administrators, and Support employees of the year. The recipients of the 2010 Model School Designation and the Exemplary programs will be introduced and honored.

There will be an exhibit of student visual art, live student performances of music and dance, and the screening of student video productions. We will also recognize and award scholarships to the winners of our student essay contest.

If you are interested in presenting a workshop at the conference, please fill out the “Call for Presenters” to be found in this newsletter or on our website, CCEAnet.org.

As the theme for the conference is travel related, we will spotlight the educational travel achievements of our CCEA members. We will be asking our attendees to bring and share photographs and stories from their travels around the world. Plan to wear that fabulous ethnic piece of clothing that you bought on one of your trips to one of our banquets.
